Using Your New Vocabulary - Colores, números, y mandatos

- Listen to the audio and follow along.
- Let's play "Busca colores" (Look for Colors) - You must look for and touch something the color you hear. NOTE: busca = look for
- Lay all your numbers flashcards on a table with the number (not the word) face up. Touch the number you hear. For greater challenge arrange your numbers out of order.
- Get a pencil and piece of paper. Write the numbers you hear. Feel free to write just the number OR try writing the Spanish number word.

Making Flashcards

You can make your flashcards in different ways:

- Write the Spanish word on one side and the English on the back.
- Write the Spanish word on one side and draw or glue a picture on the back.
- Use your computer to make cool flashcards!
- Use a website that makes flashcards.

Practice ideas for flashcards

- Be the teacher and teach the words to someone.
- Challenge someone to see who can guess the most or the fastest.
- See if you can make sentences by putting flashcards together.
- Play charades with someone.
- Play "Spanictionary" - one person reads a flashcard, then draws it while the other person tries to guess before a timer goes off.
- Play Hangman by laying out a group of new flashcards. Have someone choose a word and write blanks for each letter of the word. You guess the letters and see if you can beat the hangman.
