

How Non-Spanish Teachers Can Teach with Spanish for You!

Even if you don't know Spanish, you CAN teach Spanish classes with Spanish for You! It's EASY!

Here's how:

- With Spanish for You!, you learn right along with your students!
- Each week you follow our Lesson Plans and Lesson Guide to teach your classes like this:
 - Week 1 Lesson Plan, Week 1 Lesson Guide
 - Week 2 Lesson Plan, Week 2 Lesson Guide
 - and so on
- The Lesson Plans and Lesson Guide are step-by-step and easy to follow.
- **If you are a teacher who does not know Spanish, you simply preview the Lesson Guide content for that week prior to doing the Lesson Plan.**
- Previewing the Lesson Guide is easy because the material is presented in small chunks that adults can grasp very quickly!
- Previewing the Lesson Guide will take approximately 10-15 minutes.
- Plus, answer keys are provided for everything.
- And, support is available to you year round, so you can call or email with any questions you may have.

That's it!

If you would like to ask more questions about this, please feel free to contact me, Debbie, directly at support@spanish-for-you.net. And if you would like to speak via phone, just let me know in your email, and we will promptly arrange a time to talk.
