

Spanish for You!®

Simple. Effective. Affordable.

## Verbos Theme Overview

The Verbos themed package will provide content for a full school year. While all our themes are available for grades 3-8, this theme is available for grades 5-8.

Students will develop listening, speaking, reading, and writing skills useful in everyday life within the context of these five units: **School Things, Numbers 1-25, Personal Things, Pets, and Wild Animals.**

While the five units of this theme are unrelated, they are brought together in a clever way allowing students to learn language about things that interest them and that they can use in daily life.

Students will learn vocabulary and verbs associated with each unit as well as grammar concepts to help them learn to create and understand complete sentences.

Some of the grammar concepts covered will include Making Plurals, Asking How Many, Reflexive Verbs, Regular Preterite Verbs, and more!

Students also learn the Alphabet, Common Words and Phrases, Months and Days of the Week, and Informal Commands.
